

THE INVESTIGATORS GROUP INC.

INVESTIGATIVE SOLUTIONS

Corporate

All business problems are solvable if you have the right information at hand. Given the appropriate relevant and timely information, you are able to choose the best direction from a list of alternative actions. The hard part is obtaining that information in a useable form, in an efficient and fiscally responsible manner. That's our job, that's an *Investigative Solution*.

The appropriate *Investigative Solution* can provide cost reductions, productivity increases, protection of your assets and human resources, and minimize risk. The right information at the right time, can achieve each of these objectives.

At The Investigators Group Inc., we provide *Investigative Solutions* in the following areas:

- Pre –Employment Screening
- In Depth Background Investigations
- Surveillance
 - WSIB
 - Weekly Indemnity
 - Compliance
- Workplace Investigations
- Executive Protection
- Undercover Operations
- Internal Theft and Fraud Investigations
- Labour Dispute support
- Internal and Vendor Integrity Testing
- Forensic Services
- Electronic Countermeasures
- High Risk Dismissals Security Services
- Litigation Support
- Due Diligence Investigations
- Asset Protection
- Electronic Security
